PRESS RELEASE 549#

**TONY ABBOTT ATTACKS STRUGGLING PARENTS AS WELL AS
DISADVANTAGED CHILDREN**

19 April 2014

A group of parents have woken up to the simple fact that Mr Abbott and his Treasurer have no intention of sharing the budget pain around. The major burdens will not fall upon multinational corporations buying up Australia's wealth while minimising tax; wealthy church organisations that enjoy tax exemptions; or wealthy individuals that get tax breaks for educating their children in private schools.

No, the burden will fall upon parents with children in public schools.

A group of parents have woken up to what is happening. Join them in their petition at

JOIN THE CAMPAIGN TO SAVE THE SCHOOL KIDS BONUS

Prime Minister Tony Abbott wants to take the SchoolKids Bonus payment away from families.

The SchoolKids Bonus is an annual payment of \$410 for primary school children and \$820 for secondary school children made in two instalments in January and July.

More than 35,000 eligible Tasmanian families are at risk of losing the SchoolKids Bonus if the Abbott Government tears up the legislation.

This is a savage cut to families from a Government that doesn't care about helping kids get a great education.

Sign the petition below to help send Tony Abbott a message that the SchoolKids Bonus must be spared from his cuts.
